Welcome to Singapore Conference

Dear Participants,

Welcome to 2016 Conference in Singapore! We are confident that over the three days you will get the theoretical grounding, practical knowledge, and personal contacts that will help you build a long-term, profitable and sustainable communication among researchers and practitioners in a wide variety of scientific areas with a common interest in Civil Engineering and Materials Science.

For the conference of ICCEMS 2016, we had received more than 80 submissions, and around 40 excellent papers were accepted for presentation. Congratulations for these papers.

We wish to thank our outstanding keynote speakers Prof. George C. Manos, Prof. Kyoung Sun Moon, Prof. C. W. Lim and other distinguished professors for sharing their deep insights on future challenges and trends in Civil Engineering and Materials Science.

Special thanks to all the researchers and students who with their work and participate in the conference.

Hope you enjoy the conference, the food, the hospitality, and the beautiful and charming environment of Singapore!
